BOCA

At the heart of BOCA is its Wine Cellar – home to our sommelier-selected collection of more than 200 labels, highlighting the best of French, Spanish, and Italian viniculture, including blockbuster vintages from the leading names to exciting rarities from boutique producers.

Speak to our sommelier or any member of the staff, who will be more than happy to recommend the perfect accompaniment to your dinner from this list, or just help you find your new favorite wine. Also feel free to select from our twenty-strong list of wines available by the glass.

BEST OF REST OF WORLD

We have hand selected some of our favorite wines from the rest of the world to share with you. While some of the wines listed will be familiar, others may be unexpected. All of them have balance, personality, and verve. We hope they delight your palate as much as they do ours.

CORAVIN

Coravin is a state of the art wine extraction system that allows us to pour world class wines, not normally offered by the glass, without removing the cork. Ask our sommelier for this month's Coravin selection and be guided to the cellar for a unique wine tasting experience.

BOCA'S WINE CELLAR

BOCA's Wine Cellar is available for receptions, private tasting and pairing events and functions. For information on availability, please speak with our guest relations team.
