

# BOCA

Familia Zuccardi invites you to an Argentinian takeover of BOCA serving ceviches, empanadas and 'Asado' featuring barbequed ribs, chorizo, steaks and slow-cooked lamb. There will also be a special plant-based 'Asado' of glazed celeriac, barbequed kohlrabi, heritage carrots, roasted cauliflower and scorched Padron peppers followed by a finale of a mighty black chocolate block and cherry compote.

Nicolás Angelini of Zuccardi's Valle de Uco /Ew-coh/ (*awarded 2019 World's Best Vineyard\**) will guide us through four grapes and will explain the family's efforts towards sustainability during this one off dinner.

# WINE PAIRING

---

José Alberto and Sebastián Zuccardi – two of the five most influential personalities of Argentine Wine at the moment - conceive the production of their wines on the basis of an absolute care for the environment. Production is based on respect for the soil, air, flora fauna, and the whole community, allowing Familia Zuccardi to focus on sustainable agriculture and coexisting with nature without damaging it. The vineyard also keeps a comprehensive waste recycling policy and incorporates the use of alternative energy sources to the production systems.
