BOCA

SUSTAINABILITY AT HEART

At BOCA we strive to keep sustainability at the core of our operation. We continue to source ingredients locally and support local farmers and fishermen. As tackling climate change becomes more pressing than ever, we have stepped up our efforts to reduce waste through continuous auditing of our kitchen and bar operations, refusing single use plastic from suppliers and to customers, building a more demand driven inventory, and preferring like-minded partners to work with across the value – chain.

NEW MENU: WINTER 2020

Dubai winters are delicate, but we cannot fight the urge to add more heartiness to our dishes this season. Try our new take on the local staple; our 'White Bean Hummus' made with Tuscan beans, the 'Local Stuffed Squid', and the 'Smoked Duck Salad'. Our zero – waste techniques are coming of age in our paellas (a vegan paella with almost no wastage and an octopus head in our seafood black rice?) We are also placing the humble beetroot as the star in our 'Dry Aged MeatRoot' and in our Five – Texture Beetroot Risotto. Bon appetite!

THE ART

BOCA & Fann – À – Porter present the work of Majd Kurdieh commissioned exclusively for BOCA. This collaboration features the 'Fasaen'; Kurdieh's whimsical characters who speak of hope, love and life and are on a quest to steal sadness wherever it exists. #stealingsadness

Who said that a bird only perches on a branch?

Sometimes it rests on a laundry wire and pecks on our window.

It may even rest on the heads of kind dreamers.

Art is a bird that flies freely in the skies of its beauty. Most of us find it strange to see it on the menu.

I don't though.

The soul gets hungry too.

Majd Kurdieh, 2018

مَنْ قَالَ أَنَّ العصفورَ لا يقفُ إلا على غصن؟
أحياناً يستريح على حبلٍ غسلٍ أو ينقرُ زجاجَ نافذتنا وأحياناً يقفُ على رؤوسنا إن كُنَّا طبيين وحالمين.
والفنُّ عصفورٌ يطيرُ حُرّاً في سماءِ جماله ويفاجئنا أحياناً حين يحطُّ على قائمَةِ الطعامِ.
أنا لم أتفاجأ
فالروح أيضاً تجوعُ.
مجد كردية، ٢٠١٨
