

OCTOBER 18th to 24th

DISCOVER GALICIA WEEK

Galicia is a different Spain. A region with its own language and an ancestry of healers, witches and Celts. Its wild coastline brings in arguably the best seafood in the world and from here come matching crisp albariño whites.

This October BOCA offers you a glimpse into the unique culture and gastronomical heritage of Galicia through a five-course set menu, matching Pazo das Bruxas (Home of the Witches) and Galicia's mystic tradition of card reading.

Five courses and one bottle of Pazo das Bruxas AED 310.

Card reading with the **ARROW SISTERS**
(Oct 21st from 7:30pm to 10:30pm by appointment only)
