## NEW MENU | ABUNDANCE IN THE DESERT

BOCA is a Modern European restaurant influenced by Spanish cuisine and with a strong commitment to sustainability and local sourcing. In this menu edition we invite you to try native desert plants from the UAE, dry-aged beetroot, and sustainable Arabian Gulf fish varieties. We also celebrate the return of Fujairah's Dibba Bay oysters on our menu and prepare dishes with salt beef from local purveyors, 'meat melt'. Do not forget to check out our new paella recipes and of course all the BOCA tapas favourites.

This season we present the first edition of 'LOCAL INGREDIENTS: An Illustrated Guide' highlighting the best of local and home-made produce. Ask our team for a copy or scan here to download the digital guide.

## SUSTAINABILITY AT HEART

At BOCA we strive to keep sustainability at the core of our operation. In addition to sourcing ingredients locally and supporting local farmers and fishermen, we have stepped up our efforts to reduce waste. We continuously audit our kitchen and bar operations, refuse single use plastic from suppliers and to customers, operate a demand-driven inventory, and prefer working with like-minded partners across the value chain.

## DINE-OUT

Available now: takeaway, delivery, and DIY home kits of your favourite tapas and Spanish beverage mixes. Ask our team for more information.

## SAFETY

Ensuring the health and safety of our guests and staff is of the utmost importance. We are following all guidelines and taking strict precautions through every step of the process.
