## SUSTAINABILITY AT HEART

At BOCA we strive to keep sustainability at the core of our operation. We continue to source ingredients locally and support local farmers and fishermen. As tackling climate change becomes more pressing than ever, we have stepped up our efforts to reduce waste through continuous auditing of our kitchen and bar operations, refusing single use plastic from suppliers and to customers, building a more demand driven inventory, and preferring like-minded partners to work with across the value-chain.

This season we invite you to compare a single grape varietal from three different producers from three different regions. Taste how different soils, wine making methods, and climates create different wines.

## ★ PINOT GRIGIO/GRIS TASTING \_\_\_\_\_ 405

Pinot Gris and Pinot Grigio are the same wine, but you knew that already. This grayish-purple grape is a mutation of Pinot Noir and is famous for its refreshing citrus flavor. The zesty acidity could also get slightly oily in some expressions and fruitier in others.

3 Coravin glasses of 150ml

Pinot Grigio 2016, Livio Felluga, Friuli Colli Orientali DOC, Italy

Pinot Gris 2017, Chateau Ste. Michelle, Columbia Valley AVA, United States of America *(sustainable)*
