

BOGA

Fann-À-Porter are proud to present the work of Syrian-born artist Majd Kurdieh, commissioned exclusively for this season's menu. This collaboration features the Fasaeen, Kurdieh's whimsical cartoon-like characters who speak of hope, love, and life, and are on a quest to steal sadness wherever it exists.

#stealingsadness

Who said that a bird only perches on a branch?

Sometimes it rests on a laundry wire and pecks on our window.

It may even rest on the heads of kind dreamers.

Art is a bird that flies freely in the skies of its beauty. Most of us find it strange to see it on the menu.

I don't though.

The soul gets hungry too.

- Majd Kurdieh, 2018

مَنْ قَالَ أَنَّ العصفورَ لَا يَقِفُ إِلَّا عَلَى غصنٍ؟
أحياناً يستريحُ على حبلِ غسيلٍ أو ينقرُ زجاجَ نافذتنا وأحياناً يقفُ على رؤوسنا إنْ كُنَّا طبيين
وحالمين.
والفنُّ عصفورٌ يطيرُ حرّاً في سماءِ جماله ويفاجئنا أحياناً حين يحطُّ على قائمةِ الطعام.
أنا لم أتفاجأ
فالروح أيضاً تجوعُ.

SUSTAINABILITY AT HEART

At BOCA we strive to keep sustainability at the core of our operation. We continue to source ingredients locally and support local farmers and fishermen. As tackling climate change becomes more pressing than ever, we have stepped up our efforts to reduce waste through continuous auditing of our kitchen and bar operations, refusing single use plastic from suppliers and to customers, building a more demand driven inventory, and preferring like-minded partners to work with across the value-chain.

FILOSOFÍA BOQUENSE

This season the young bar team at BOCA has stepped up efforts to reduce waste. These fresh cocktails are made using the whole fruit including skin and pulp.
