DIBBA BAY

BOCA

GIN MARE

BOCA, Dibba Bay Oysters and Gin Mare share a deep connection with the sea, gastronomy and marine conservation. This March, we invite you to share this passion with us through a ten-day celebration featuring Dibba Bay Oysters specials, pairing menus and Gin Mare cocktails.

MENU

Dibba Bay oysters from the pristine waters of Fujairah. They are now in the cool season, which means they are meatier and sweeter. We match our signature dressing to these new nuanced flavors.
